RE: Inadequate Bond Estimate, St. George Mining  
Corporation, Apex Mine, ACT/053/004, Washington  
County, Utah

Upon review of the bond estimate for the Apex Mine, the bone yard and bin wall were not included in the bond estimate. Therefore, I recommend that you write to St. George Mining Corporation and request that these two items be added to the present bond estimate. They would be added to the 1984 estimate, then inflated at a rate of 3.79 percent and brought to 1986 dollars.
